

## **JACOB MEERA MEMORIAL HIGH SCHOOL**

### **Primary School**

From grades I to V, students get ready for academic success and growth in Middle and Secondary School, college and beyond. We ensure that during these years of critical importance, our personalized approach helps students understand the concepts clearly and prepares them to cope with the demands of a changing world.

### **Role of Computer Aided Learning**

Our classrooms are equipped with digital Smart boards to make learning as lively as a child's imagination. Powered with a digital content library of over 16,000 modules of curriculum-mapped, multimedia-rich 3D content, our learning solutions are designed to provide the students with a unique and highly immersive experience. They ultimately enhance academic performance to higher levels.
